[linkedin.com/in/francis-angelo-eumague](https://www.linkedin.com/in/francis-angelo-eumague)

IT graduate with 8+ years of professional experience spanning documentation, operations, and community management. Most recently drove engagement for a 500-1,000 member learning community at YGG Metaversity, coordinating programs, events, and partnerships across the Philippines. Combines a strong technical foundation with hands-on experience in stakeholder coordination, program execution, and community growth.

WORK EXPERIENCE

2024 – Present

Yield Guild Games
Metaversity

Community Manager

- Manages and grows an active community of 500-1,000 members, leading engagement initiatives through announcements, reminders, and structured feedback loops.
- Promotes and launches new Metaversity programs by coordinating with stakeholders and ensuring effective, excitement-driven information dissemination across channels.
- Oversees the Marshal Program end-to-end, coordinating speaker schedules, logistics, and student support throughout each program batch.
- Monitors and reports on community engagement metrics across forums, social media, and live events to continuously improve participation.

2025 - Present

SupremoLabs.dev

Freelance Web Developer

- Builds and deploys websites for small businesses including solar energy companies and local food businesses in the Philippines.
- Develops full-stack web solutions using HTML, CSS, JavaScript, React, and Supabase.
- Handles end-to-end project delivery from design to deployment on Netlify.

2018 – 2024

Seidopro Global, Inc.

Documentation Specialist II

- Encoded and processed shipment documents, invoices, and customs paperwork for client cargo arriving from overseas as part of the import team.
- Ensured accuracy and timeliness of import documentation across a 6-year tenure, supporting smooth cargo clearance and compliance.
- Coordinated with internal teams to maintain organized and up-to-date records of all incoming shipment transactions.
